

HELP PAYING FOR YOUR CHILDCARE

There are thousands of families across the UK missing out on the chance to save money on childcare. You could join almost 248,000 families across the UK who saved money using the Government Tax-Free Childcare Scheme.

Any money deposited into your childcare account, **you will receive a 20% government top-up**, so, for every £8 you pay in, the government will automatically add £2, up to the value of £2,000 per child per year (or £4,000 for disabled children).

Tax-Free Childcare is also available to families with pre-school aged children attending nurseries, childminders or other childcare providers.
