Safeguarding Information

What is safeguarding about?

Everyone at Roselands believes that all children deserve to be happy, healthy and safe.

At Roselands we:

- Help children to make good progress in their learning.
- Protect children and keep them safe.
- Teach our children how to recognise risks in different situations, how to keep themselves safe and how to protect themselves.
- Respect our children and help to protect their rights.

How do we protect children?

- We provide a safe environment for children to learn in.
- We help to ensure that children are safe – in school, at home, online and out and about.
- We ensure that our children know where to get help if they are worried or unhappy about something.

Mrs Bastock is the Designated Safeguarding Lead so she is responsible for making sure that the children and adults are safe and happy at Roselands.
