

# Ready, Steady, School!

Here are some helpful skills that your child can build before they start school. Use this sheet with your child so they can colour in their progress!

I can put my shoes on and take them off

I can go to the toilet on my own (wipe & flush)

I can recognise my name (typed)

I can play games that involve taking turns

I know when to use 'please' and 'thank you'

I know how to ask for help

I can use a knife, fork & spoon

I can blow my nose (catch it, bin it, kill it)

I can wash my hands with soap & water

I can put my jumper or coat on and take it off

I can follow simple instructions such as "hang your coat up" or "put your toys away"
