

SCIENCE		Autumn	Spring	Summer
Reception			Spring into our step	Science detectives
Years 1 and 2	Year A	Animals	Needs of animals	Plants
		Humans		Plant Growth
	Year B	Everyday materials	Seasonal Change	Living things and habitats
		Use of materials		Solids, liquids and gases
Years 3 and 4	Year A	Particle model and state of matter	Plants	Rocks
		Organisms	Properties of materials	Classifying organisms
	Year B	Forces and motion	Electricity	Sounds
		Magnetism	Food and digestion	Light
Years 5 and 6	Year A	Forces	Earth and Space	Life cycles
		Light	Energy	Human development
	Year B	Electricity	Physical and chemical changes	Functions of the human body
		Separating mixtures	Further classification	Evolution
Biology		Physics		Chemistry
